Lit-Chair –Greetings Area,

Bank balance is at \$309.77I had reported at December's area The balance was \$230.98. I was wrong and off by \$0.61 which balance should be \$231.56 for November 2019. Now, we had a debit/credit from World in the amount of \$78.21 and this is where the \$309.77 balance comes from. This \$78.21 comes from an order that was cancelled in August 2019, yes 4 months later it has been credited. What I did not know was that this money was taken out of the account less than 24 hours of ordering and cancelling. And this is what caused the overdraft in September 2019 – this has been resolved in the sharing session. We have sold 6 JFTs, 8 BTs, 7 Step Working Guides, 201 keytags, 4 medallions and I would like to add the 14 medallions in December, 41 White booklets, and 255 IPs. Thank you for all of your support. ILS, Holly G.
