I am glad to have been able to see that change in our routine is still finding the addicts still suffering. That gives me hope in these challenging times – and leads me to remind myself that we are no strangers to challenges in our

recovery. At any rate, I am glad to be able to meet today, and as always, thank you for letting me serve! In loving service, Stacy H.

- ii. Co-Facilitator- verbal, not much to report, happy to be of service again.
- iii. Recorder- Greetings Area, again I would like to ask everyone to email me a report or let me know today if you're giving a verbal report. I would also like to ask if any emails or phone numbers change, please get a hold of me so I can make sure minutes are getting out to everyone and we can keep our trusted servants list up to date. Once we've got all our positions filled, I will send out an updated trusted servants list so we can all try to stay in contact to the best of our ability. Sending much love and I am missing everyone! ILS, Alex T.

We are continuing to talk about protocols we will put in place when we do open back up to keep everyone safe and follow social distancing guidelines.
