Greetings Area ,

I attended Subcommittee's I am excited for the events this year. Today we will review the changes made to Area Guidelines and vote on the changes. Thank you to

all who worked on this. We have lots to accomplish today and I hope to be done early so everyone can be home for the Super Bowl. Area nominations will be next month so please encourage everyone at your groups and in your sponsorship to get involved.

Activities

Greetings Area,

I am still working on figuring out how things work for activities but with the help of many people I am starting to understand how things are done. I would like to have Stacy H. nominated to be activities treasurer as she and I both reside in Council Bluffs. I have reformatted and added more detail with a couple things to the activities timeline I got from Sari. Chili cook off in Harlan is coming up March 12th. I am going to contact the Harlan group as the event gets closer to see what I can assist them with and ensure that everything is booked and ready to go. Stacy H. is going to get with individuals from Region to get someone to lead the workshop at the chili cook off. If she cannot get an individual willing to lead the workshop Stacy H. will lead it. I will be contacting Aaron to get the activities accessories and inventory what activities currently has. Bid's for the anniversary function are due at March ASC. SWINA logos are due at March ASC to be voted on in April.

ILS,

Sam

PI Report

Greetings Area

I'm Mike, and addict. Not a lot has happened in the last month, I have put together 30 jail packets to distribute and will start handing out to our facilities and jails next month. We did have the opportunity to give out 4 packets to a new sober living facility in Atlantic called "New Life Sober Living". We also go approval for our PSA to be aired from KSOM and I am waiting on the final proof to be submitted. Other than that, we stand ready and continue to look for opportunities to carry the message to the addict who still suffers and create awareness in South West Iowa.

Harlan GSF

February 2022 Report for ASC.

All meetings are going well with a clear message of recovery being shared. Saturday attendance is variable, but this is nothing new or terribly concerning at this time because they are still self-supporting and doors are getting opened each week. We enjoyed one 30 day, one 60 day, and one 1 year celebration for the month of January. We had a total of \$11.00 in lit orders and are holding off on an area donation at this time.

Harlan GSF is in agreement with the \$500 donation from ASC to Region.

We are looking forward to the Chili Cook-Off next month. We do need to follow up with Activities regarding who will be running the "Building Stronger Home Groups" workshop and to ensure that we have everything else in place that is needed.

Thank you for allowing me to be of service,
Gaylen P. (filling in for Mel F.)

Friday Night Live

Greetings Area. I'm Mike, an addict

Friday Night Live is doing well as our number are pretty much same as last month. We usually have 25 addicts attending every time we open the doors. We are celebrating milestones of early recovery more than anything else which is a sign of growth and tells me that our message is absolutely reaching The Addict who still suffers as we have New Comers after and they are not only returning but joining our fellowship!! I would like to include the Wednesday Night Meeting and members in my report today to tell you that the Unity, inclusion, and teamwork that is happening is within our community is incredible and I feel that what we are accomplishing is establishing a foundation for recovery to thrive and be attractive to The Addict Who Still Suffers in such a positive way. We have parents getting their kids back, people getting their DL's back, sanity being restored, and families healing, everything that recovery says is possible is happening!! We are Blessed! In closing we have \$100 Area donation and a small Lit order today
