A. Open with a moment of silence followed by the serenity prayer: By Casey W at 2:35 pm

B. Reading of:

1. Service Motivation: (Addendum 2) - Stacy J
2. The Twelve Traditions: (addendum 3) - Stacy H
3. The Twelve Concepts: (Addendum 4) - Nate M

C. Open Forum: (up to 15 minutes) (Solution-based discussion on issues raised)

Start Time - 2:39 pm

End Time - 2:49pm

1. Stacy H- Did we get new CBDM cards made?

Sari M- No but I will get them done.

2. Stacy H- When we were getting things squared away with the bank, it was discovered that a group was using the area ein number. This was how it was set up a long time ago, but the rules have changed and while this is still legal, this is now in conflict with our traditions. Also, some groups have accounts tied to individuals rather than the group themselves. Groups can obtain their own area ein through the state so it is more easily transferable- and the group that is using the area ein will be working with Aisha E. For region to set it up. During that process, she and region will make a template so that any group that wants to set up their own ein can do it on their own with step by step instructions.

3. Sari M- It was brought to my attention that someone had been using in our bathroom at our meeting. Can't prove it but the odor was there. For future reference you can always direct your GSR'S for area direction and direction on what to do. WE cant prevent that but, we can put it in our format. We can pull aside and suggest them come back next time clean to the meeting. If a problem comes up in the group please come to area.

Brian V- We had a couple that came years ago and were caught in our meetings. We asked that they not come back. That's how we did it.

Michelle S- last friday meeting we had some issues. They didn't want to accept the help we were offering so I didn't know what to exactly do. They can stay ,get the help ,or leave so we have no disruptions.

Sari M- if it progresses ask them if they want direction or ask them to leave.

Stacy H- I was that addict who did this when I cleaned up. After a meeting she was pulled to the side and told your welcome but there are expectations to follow next time.

Mike VP- There is a service IP that outlines what we can try. Last resort, call the police.

4. Samantha C- Asked casey if he could ask the church if we can borrow projector for December 2024.

Greetings Area,

The staging website is going well. I have not had a massive amount of time to work on it but it is coming along well. Since the September Area I have had a conversation with another member and we thought that having an "Events" calendar along with the Iowa Region calendar on our website is rather confusing, even for those of us who attend Area. The confusion comes in at what the difference would be between just an events calendar and the Iowa Region calendar. Only those who attend Area would know that the regular events calendar is SWINA events plus other events that SWINA would like to support vs. the Iowa Region calendar which only contains Iowa events. The solution discussed during subcommittees today was that we could insert a link for the Iowa Region Calendar. The button would be under the SWINA calendar and it would state "Link to - Iowa Region Events Calendar". While creating the staging website I am trying to

keep the information and resources that are on our current page but I am adding things such as having digital literature that comes directly from the NAWS website. I believe the website is on track to be live during the first portion of 2025 depending on how many times the vote goes back and forth from the groups to Area. With this being said, Casey is going to see if we can get permission from the church to use their projector in December 2024 / January 2025. If we are able to utilize the church's projector it will be extremely important for all GSR's to be in attendance for the website presentation. I believe going over the website as an Area will be beneficial for everyone. Then GSR's can go back to their groups and have a little experience with navigating the website.

In loving service,  
Samantha C.
